Become a Golfer Today!

Most golf programs are incomplete. That is why we use
the Operation 36® Development Model which centers
around playing golf. The goal is to help you **shoot par (36)**
or better for 9 holes.

We want to see each of our golfers fall in love with the
game of golf and see improvement on the course! During
each private lesson, our golf professionals leverage the
Operation 36 Platform to guide coaching and to measure
improvement.

2020 FALL SEMESTER

Dates for this program are subject to change in conjunction with the COVID-19 situation.

This program is split into 8 x 60 minute weekly group coaching sessions, plus 2 x 9 hole group on course lessons. Players may select their Coach and lesson time from the list below and meet at the same day and time for 10 consecutive weeks. You may also form your own group of four players and request a Coach and time that fits your schedule.

OPERATION **36**[®] GOLF 9-HOLE LEAGUE

The Operation 36[®] 9-Hole League provides a great experience for students to challenge themselves and test their skills on the course.

The 9 Hole League events may be played at anytime during each 2 week period during the program. Players will compete as a team of four, playing from their respective OP36 tees. The lowest three scores from the team will combine for the team score. Prizes in the form of Golf Shop credit will be awarded to weekly winners.

Players will be required to book their tee times either using the Foretees app or by calling the Golf Shop on 281 899 3270.

Additional League details will be available prior to the start of the Fall Semester program.
